

# ICMCE 2018

--- Mechatronics and Control Engineering

Web: [www.icmce.org](http://www.icmce.org) / Nov 27-29, 2018 / Amsterdam, Netherlands

Email: [icmce\\_conf@outlook.com](mailto:icmce_conf@outlook.com)

**ICMCE 2018**

Nov. 27-29, 2018 | Amsterdam, Netherlands

## Important Dates:

Paper Submission	Before <b>October 10, 2018</b>
Notification of Result	On <b>October 25, 2018</b>
Registration Deadline	By <b>November 5, 2018</b>

## 2018 7th International Conference on Mechatronics and Control Engineering (ICMCE 2018)

2018 7th International Conference on Mechatronics and Control Engineering (ICMCE 2018) will be held in **Amsterdam, Netherlands** on **Nov. 27-29, 2018**. It is supported by University of Iceland, Iceland; The Lodz University of Technology, Poland and Asia Society of Researchers (ASR).

ICMCE 2018 will be held in **IBIS SCHIPHOL AMSTERDAM AIRPORT**.

ICMCE 2018 conference proceedings will be published into the **volume of MATEC Web of Conferences (ISSN: 2261-236X)**, and submitted for **Ei Compendex, Scopus** index.

ICMCE 2016 Conference Proceedings has been indexed by **Ei Compendex** and **Scopus**. ICMCE 2017 Conference Proceedings has been online: <http://iopscience.iop.org/issue/1742-6596/1016/1>. ICMCE 2017 will be indexed by **Ei Compendex** and **Scopus** soon. For more information about past ICMCE, please visit: [www.icmce.org/proceedings.html](http://www.icmce.org/proceedings.html).

## Call for Papers

*Topics of interest for submission include, but are not limited to:*

Acoustics and Noise Control

Aerodynamics

Applied Mechatronics

Automation, Mechatronics and Robotics

Biomedical Engineering

Computational Fluid Dynamics

Computational Mechatronics

Composite and Smart Materials

Compressible Flows

Computational Mechatronics

Emerging Renewable Energy

Energy Engineering and Management

Engineering Design Management

Machinery and Machine Design

Manufacturing and Production Processes

Marine System Design

Material Engineering

Material Science and Processing

Mechanical Design

Mechanical Power Engineering

Nanomaterial Engineering

Noise and Vibration

Noise Control

Nonlinear Dynamics

Robotic Automation and Control

Solid Mechatronics

Sensor networks, networked control

Modeling of Complex Systems

Nonlinear Systems and Control

Fuzzy and Neural Systems

Estimation and Identification

Process Control & Instrumentation

Micro and Nano Systems

Sensor networks, networked control

Intelligent and AI Based Control

Control Education

Control Applications

Man-machine Interactions

Process Automation

*For more topics, please visit: <http://www.icmce.org/cfp.html>*

## Submission:

Please submit your paper via online system: <http://www.easychair.org/conferences/?conf=icmce2018>.

Supported By:

Lodz University of Technology

Asia Society of Researchers
